

HERITAGE LAND ROVER SHOW

2 May 2010

Club Invitation

This year the Heritage Land Rover Show is celebrating Land Rover's 62nd Birthday with the support of the Land Rover Experience and Land Rover World. **Our 1-day event, with camping available from 16.00 on Friday 30 April until Midday on Monday 3 May**, will, as always include the Heritage Run from Lode Lane to the Heritage Motor Centre on Sunday 2 May.

Entry

We are delighted to extend an invitation to your club for up to 12 vehicles passes and 18 tickets for you to distribute amongst your members. The tickets will allow you entry to the show but do not include camping.

Camping

Camping is priced at £16 per pitch for the entire weekend. To get this special price, go to the shop section of our website and place the promotional code CLUB10HLRS in the camping section. Camping will be on the meadow, although tents will have to be segregated from caravans due to camping regulations.

Club Stand

If your club would like to have a stand in the main display area, please sketch out a proposed layout for your display and club stand that we can incorporate in our final site layout. Any displays or club stands can be on tarmac or grass (please tell us which) and will need to be in place by 09.45 on Sunday 2 May as the gates will open to the public from 10.00 to 17.00.

What's on

The Range Rover Register will be celebrating the 40th Anniversary of the model on Saturday 1 May, your tickets (in the form of wristbands) will allow you access to this and the museum, as well as the main event on Sunday 2 May.

As usual there will be the Chris Savidge Award for the Best Club Stand.

There will also be a series of talks during the day, see our website for details.

Club Booking

We have enclosed a booking form for your club, please complete this and return it to us. The completed form needs to be returned to us no later than 28th April 2009.

Alternatively you may be able to book on-line via the shop section of our website.

Individual Bookings

If members wish to book separately, tickets are available on the shop section of our website. Individual tickets can be purchased but if 12 or more tickets are purchased as a single booking, there is a reduced rate.

If you have any further queries please call us. We look forward to hearing from you so that I may allocate your club stand, tickets and passes.
